

Prep sheet

On a scale of 1-10 (1 being low and 10 being high)
how do you rate your current visibility in the workplace?

How do you feel about taking the action required in order that you have high visibility
(e.g. like it, hate it...)?

Is there someone you know who does this well? If so, what do they do?

List **three things** that you currently do to let others know about you/your work
